

Dear FCC, I am writing to tell you how important KLOVE is to me and to the people in my community. I listen to this radio station every day and all day at work as well. I am encouraged as person because of this station. This station helps people physically and emotionally everyday. KLOVE provides a safe station for my children to listen to. The other stations that may take the place of this station may not be listener safe. People in the community including myself feel so strongly about keeping this radio station on the air that we are willing to pay monthly for it. I pay \$40 a month to ensure that I can wake up each morning to KLOVE and the wonderful godly music that they broadcast. Please don't take that away from me and my children. Thank You, Sincerely Paula Henker
